

Overall Conference Purpose and Goals

Health care professionals from a variety of disciplines will be able to apply at least one new patient safety tool in their practice setting.

Objectives

- Describe strategies to improve patient safety and reduce adverse events
- Identify the effects of multi-disciplinary collaboration on patient safety
- Describe the legal environment associated with patient safety and medical care
- Demonstrate an appreciation of the importance of the patient and family as integral contributors to the patient safety process in all care settings

Faculty

Continuing Education Credit

CME Credit: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship of the Colorado Foundation for Medical Care, Office of Continuing Education (CFMC OCE) and the Colorado Patient Safety Coalition (CPSC). CFMC is accredited by the ACCME to provide continuing medical education for physicians.

Colorado Foundation for Medical Care designates this educational activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CFMC has no financial responsibility for this activity.

Nursing Credit: The Colorado Foundation for Medical Care (CFMC) is an approved provider of continuing nursing education by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides 7.75 contact hours to be awarded.

COPIC: This program meets the criteria necessary to qualify as an approved activity under the Experience Rating System (ERS) of COPIC Insurance Company's Participatory Risk Management Program. This program is approved for 2 ERS points.

AAFP: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

CPHQ: This activity will be submitted to the National Association for Healthcare Quality for CPHQ CE credit.

Pharmacy: Application for Pharmacy credit has been filed with the ACPE. Determination of credit is pending.
