Conference Objectives

Attendees will enhance their ability to be able to:

- Describe national trends in patient safety
- Identify the benefits of teamwork and communication in patient safety
- Analyze strategies to improve patient safety and reduce adverse events

Continuing Education Credit

CFMC has determined that the maximum number of contact hours available for the CFMC co-sponsored sessions at this annual meeting is 5 (0.5 CEUs). Credits issued for this program will be based on attendance records and a signed registration form to be submitted at the conclusion of the meeting by each participant requesting CE credit. ACPE Universal Program number is 406-999-05-047-L04. Statements of contact hours will be mailed within 60 days following the meeting. E.L.F. Publications, Inc is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmaceutical education.

ASHRM: Application for credit is pending.

CME: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Colorado Medical Society through joint sponsorship of COPIC Insurance Company and the Patient Safety Coalition. COPIC is accredited by the Colorado Medical Society to provide continuing medical education for physicians.

COPIC designates this educational activity for a maximum of 6 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

COPIC: This program meets the criteria necessary to qualify as an approved activity under the Experience Rating System (ERS) of COPIC Insurance Company's Participatory Risk Management Program. This program is approved for 2 ERS points.

CPHQ: Application for credit is pending.

NURSING: The Colorado Foundation for Medical Care is an approved provider of continuing education by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity is approved for 7.2 contact hours.

Help Us Make a Difference

Displays

Vendors and organizations are encouraged to reserve a display table during the conference. For more information visit the CPSC website at www.coloradopatientsafety.org

Contributors

The annual DO NO HARM conference is made possible through the support of companies and healthcare organizations that make contributions to the Colorado Patient Safety Coalition. They will be given special recognition at the conference and throughout the year, including being listed on the CPSC website.

The attendee syllabus will list everyone who displays and contributes to this conference.
